THE SONGS AND BALLADS OF GEORGE P. MORRIS

THE SONGS AND BALLADS OF GEORGE P. MORRIS are so well known that they have become husshold words in almost every palace and coatege so that nothing need be said regarding their merits by the publi her in issuing the present edition, beyond what has been said by others.

The frequent and increasing call for these Poems, in a tasteful and cheaper form, anthorizes the belief that their circulation will be greatly extended by their presentation in this unique and popular style. A number of recent pieces have been added to this collection, making it more complete than any that has preceded it.

Copies sent by mail on receipt of 80 cents.

No. 49 Walker st., New-York.

Mr. Street gives the talk of the guides in their own plain language woodland terms, racy expressions and rude eloquence.

More than half the book is a spirited dialogue between different members of the parry and the guides. By this method we obtain members of the parry and the guides. By this method we obtain members of the parry and the guides. By this method we obtain members of the parry and the guides. By this method we obtain hearshe crashing thunder- admire the gigantic plaes, and feel the thrill of a heavy trout tugging at the line. Sunsets and stardlight, wild flowers at dwat-finis—the flavor of ventson and the axe of solitude, strange bli ds, bounding deer, the cry of the loon, the sweep of the eagle all the sights and sounds of the forest, grow familiar and impressive as we reed; this book gives us the sense tion of a novel episode in the routine of civilization. It is just the book to delight Engish sportsmen; Christopher North would have welcomed it hearsily. It is fragram with the odor of the woods and animated with the spirit of advanture: and is a striking illustration of the most characteristic phase of recreative ille attainable in this country. If how a published an exceedingly pleasant volume called Woods and Waters, or the Sarnace and hacket, with map of the rout, and she litustrations on wood, by Alfred B. Street. Life in the woods! Fishing, sailing, rowing, gunning, awinaming—adventure and romance of every kind! Mr. Street has given us a volume of rare interest—a sparking, feels admirable book, which will find thousands of admires! I
